Prestige living comes to Northbridge. BLANC BLACK welcomes you home to a boutique selection of oversized 2- & 3-bedroom apartments in a exclusive never to be built out position of Northbridge.

A spectacular collaboration between nature, architect & interior design. Raw yet refined, the architecture is gently softened by curated native landscaping and the natural beauty of the harbourside postcode.

Orientated to perfection to enhance light and ensure privacy, the two and three bedroom layouts all seamlessly connect to the great outdoors. A series of courtyards and balconies provide a tranquil alfresco escape to be enjoyed year-round. Interconnecting kitchens, living rooms and dining spaces have been designed with the entertainer in mind, the kitchen footprint extends into versatile butlers' pantries.

Set for completion in early 2024, explore the surrounding foreshore walking trails at your leisure and discover the endless appeal of Northbridge with its shopping hub, golf course, marina, parklands and the express city bus services.
